

Imagine a school without walls, where the playthings are the materials of the forest and the curriculum is all around you. Lime Hollow Forest Preschool has done just that. We are an outdoor alternative to traditional indoor schooling. While children run, jump, splash, climb, dig, build, and play they are gently guided toward a deep love and respect for the earth, themselves and their community. Through outdoor immersion, children are mentored to form a deep connection to nature and to find their place in it.

In our preschool, every day is an adventure filled with new discoveries, lessons to be learned and places to explore.
Enroll your Knee-High Naturalist today!
