#### Campout 2 nights (Extra \$50)

Begin your journey, lost and unafraid, deep into the wilds of the Hollow. With your fellow castaways, take your fire and shelter building skills to the next level. Learn to identify and harvest wild edibles and prepare tasty meals over open fires. Learn the art of orienteering and natural navigation as you embark on this exciting journey. You'll acquire the self-reliance and confidence it takes to survive in the wild as you spend two nights under the stars.

The Wanderers will venture and explore the depth of the forest. To get the full experience of these weeks, campouts are highly recommended.
